YOUR 'IN HER SHOES' M.C.

Ben Jackson

Ben is incredibly honored that he was asked to be this year's MC for In Her Shoes. As a longtime supporter of the event and CASA, he knows there isn't a better way to spend an evening!

As a former business owner in Sedalia, Ben helped CASA with charitable donations of time, money, gently used furniture and moving services. His current career as a financial advisor with Edward Jones has afforded Ben the time to join the Board of Directors at CASA, a position which he thoroughly enjoys because of the impact the organization has on our community. Ben is also a former contestant for In Her Shoes. He graced the stage in 2022 with some very impressive dance moves while wearing 4-inch stilettos.

Ben would like to thank everyone for attending tonight's event and for all the generosity that is being poured into this wonderful organization. There is also a big "Thank You" to his fellow board members and especially the employees and volunteers at CASA that help our community in ways that many people don't know about. We hope you enjoy this amazing evening of love, togetherness, fun, and supporting a great cause that impacts our community daily.

YOUR AMBASSADORS

Tonight we are joined by some of the amazing people in our community that are partners with CASA. If you need anything this evening, please ask for assistance.

Welcome!

IN HER SHOES 10TH ANNIVERSARY

AN EVENING INSPIRED BY THE OSCARS

✨ A DECADE OF COMPASSION -

A LIFETIME OF IMPACT ✨

Welcome to In Her Shoes — a night inspired by the Academy Awards, but dedicated to the stories that truly matter.

Tonight, we celebrate IN HER SHOES a decade of compassion shown by this community and the lifetime of impact it has created for survivors.

On this special evening, we honor the stories of strength, resilience, and hope. While not every story is told on screen, every survivor's journey deserves recognition. For 43 years, CASA has walked with survivors —and for the last 10 years, this event has made an impact that lasts a lifetime.

This evening is about honoring that journey.

In true Oscars-inspired fashion, tonight we will recognize individuals and partners whose dedication has helped move CASA's mission forward. These awards celebrate service, advocacy, and commitment to CASA, to survivors, and to our community.

AWARD CATEGORIES

Tonight, we would like to honor the individuals and entities whose support of CASA has had a positive, meaningful impact on countless lives.

RISING STAR OF HOPE

This award recognizes an exceptional entity that has made significant contributions to CASA through service projects and a commitment to helping others. This award honors the recipient for their dedication to supporting CASA and the needs of survivors of domestic and sexual violence.

This year's Rising Star of Hope is

CESAR & MINERVA MARIN

Cesar & Minerva Marin have hosted the annual Mr. In Her Shoes day at El Tapatio since 2021, donating a portion of the day's sales to CASA. In 2022, Cesar danced, jumped, and strutted his stuff to earn the coveted Mr. In Her Shoes title. He remains the highest earning contestant to date. They are long-standing sponsors of In Her Shoes, while supporting CASA in many of our other initiatives. In the summer of 2026, they nominated CASA to receive the proceeds of the Hispanic Appreciation Night at the Sedalia Steamers baseball game.

AWARD CATEGORYS

Tonight, we would like to honor the individuals and entities whose support of CASA has had a positive, meaningful impact on countless lives.

COMMUNITY CHAMPION AWARD

This award honors a community partner who has demonstrated excellence in partnering with CASA to promote the betterment of our services to survivors & our community as a whole.

The year's Community Champion Award is

KATY TRAIL COMMUNITY HEALTH

CASA has partnered with Katy Trail Community Health to meet the dental, medical, and mental health needs of for over two decades.

They provide free to flat-rate medical fees for our clients. They consistently refer victims of domestic and sexual violence to CASA.

Katy Trail sees a large number of our Spanish-speaking, language access clients and work closely with our bilingual advocates. Dana Hutchison, a Katy Trail clinician, serves as the Secretary of CASA's Board of Directors.

BEST SUPPORTING ADVOCATE

Our employees play an integral role in CASA's ability to achieve our mission. This award recognizes an unsung hero that has demonstrated excellence, teamwork, and leadership within our agency and made lasting, impactful change in the lives of survivors of domestic & sexual violence.

This year's Best Supporting Advocate is CASA's Therapist

JOYLYNN ALLARD

Joylynn Allard, MA, LPC, NCC

Joylynn joined the CASA team in June 2018. She began her journey with a provisional license, and obtained full licensure in 2020. In her time at CASA she has extensively expanded CASA's therapy program. In the last year alone, her individual therapy hours increased by over 70%.

While providing therapy, she still finds the time to facilitate CASA's weekly survivor support group and Seeking Safety classes. She developed and implemented online parenting classes which are now recognized across the state of Missouri, with referrals from many courts and Children's Division offices from numerous counties. She serves as a presenter for the Sedalia Police Department's CIT training. She developed a Harry Potter themed teen dating violence program presented at area schools. This program was so popular she was interviewed by ABC17 out of Columbia, MO as well as invited to present the program at MOCADSV bi-annual statewide conference in 2024. She was selected as a presenter at their 2026 conference as well. She further co-facilitates the Pettis County Sexual Assault Response Team, a multi-disciplinary group working to streamline emergency, crisis response services to sexual assault survivors in our community.

TURF D. MARTIN SERVICE AWARD

This award was previously named Volunteer of the Year.

However, to honor the memory, legacy, and many contributions of our late Board President, we chose to rename it to the Turf D.

Martin Service Award. Turf was a pillar in our community his generosity and talents benefited many including Open Door, the Liberty Center, Sedalia Housing Authority, the Warming Shelter, Mercy Rest Stop, and our Catholic Church. Turf volunteered at CASA and contributed his time and resources to support our mission. Tonight, we wish to honor two individuals who embody Turf's commitment to service of other. These individuals dedicated volunteer service to CASA has made a significant difference in the lives of survivors.

This year's Turf D. Martin Service Award recipients are

CHAD NORTH

&

TRAVIS ST. CYR

TURF D. MARTIN SERVICE AWARD

CHAD NORTH

Chad is a former member of CASA's Board of Directors who came to board membership through his involvement with In Her Shoes since the inaugural event. He joined the Board after the 3rd annual event, and was the event MC from the 4th to 9th annual event. During his time on the board, he helped lead several renovation projects and was and remains a big 'hype man' for CASA. He has continued his service to our community by joining the Board of the Embassy where he is passionate about ministering to men overcoming addiction and trauma.

TRAVIS ST. CYR

Travis has been a member of CASA's Board of Directors since Sept. 2015, previously serving as Vice President for numerous years. He has been a part of In Her Shoes since the inaugural event, and is an active member on our Development Committee. Travis is a detective at the Sedalia Police Department. The Department recognized him this year for 20 years of service as a law enforcement officer in Sedalia. Sadly, he is leaving the board at the end of this year after 10+ years of service to CASA, but is still committed to volunteering for In Her Shoes and helping CASA when and where he can.

THE LIFETIME IMPACT- HARLAN ALBRIGHT COMMUNITY LEADERSHIP AWARD

The Lifetime Impact – Harlan Albright Community Leadership Award is the highest honor CASA bestows upon an entity who has had a profound impact on our organization and survivors of domestic and sexual violence. Their commitment to help end rape and abuse has ensured long-term sustainability of our organization and helped change and save countless lives in our community.

CASA would like to present

The Lifetime Impact – Harlan Albright Community Leadership Award to

**THE FAMILY OF
BOB & DOROTHY "DOT" BEYKIRCH &
THEIR SON, JOE BEYKIRCH**

The Family of Bob & Dorothy “Dot” Beykirch and their son, Joe Beykirch have supported CASA since nearly the beginning. In 1994, Bob & Dot co-chaired a capital campaign to help CASA secure funding to purchase our shelter facility. This building was a 7,500 square foot commercial facility with the ability to house up to 40 individuals and 8 staff offices. The Beykirch’s efforts were successful, and with a Neighborhood Assistance Program (NAP) project, we were able to become debt-free of our commercial mortgage in December 1996. We have been fortunate to remain in this same space for 32 years. Since that time, the Beykirchs and County Distributing have continued to support CASA through monetary donations, in-kind contributions, and volunteer service. Bob & Dot’s son, Joe Beykirch joined our Board of Directors in May 2021, previously serving as Vice President. He is a very active member of our Finance Committee, and has been heavily involved with In Her Shoes.

He was even crowned Mr. In Her Shoes in 2021, prancing to victory in pink platform heels. There really isn’t a lot Joe won’t do for CASA. Whether he’s trouble shooting and problem solving at board meetings, organizing our donation shed, installing gravel to build a new parking lot, or talking up CASA to his friends and family to solicit donations and support, Joe is carrying on his family’s legacy of support of survivors of rape and abuse.

If you ask him why he continues to support and serve CASA, he will tell you he had the best mother in the world, and he does it to honor her legacy.

JOE – in honor
of your mother,
your father,
you, and the
entire Beykirch
family, CASA
would like to
present you
with the
Lifetime Impact
– Harlan
Albright
Community
Leadership
Award.

THE COURAGE AWARD

The Courage Award honors the bravery, perseverance, and courage exhibited by a survivor of domestic and sexual violence. Tonight's recipient has overcome numerous barriers to live a life free from abuse.

Tonight's recipient has become a role model and mentor to other survivors, and she has left a lasting impact on everyone at CASA. This individual reinforces "WHY" advocates continue to do this work.

CASA wishes to present the Courage Award to
one very special lady

JENNIFER JONES

Thank you for joining us in celebrating tonight's honorees, and in recognizing that every act of compassion contributes to a lifetime of impact. The work we celebrate tonight does not end here. For 43 years, CASA has walked beside survivors, and we will continue to do so.

And thank you to each and every one of you for being here tonight to support CASA.

Thank you for being part of this journey.

Sexual Assault Response Team

S.A.R.T.

With the new federal initiative to expand SANE services and the signing of the SANE Act in 2022, CASA has found the support needed to help advocate and assist victims of sexual violence by reconstructing our SART program. SART stands for Sexual Assault Response Team. SART is comprised of trained advocates and volunteers to assist victims of sexual violence during SANE exams, now required to be provided by all hospitals, with a focus on telehealth and rural, tribal, and underserved communities, as well as being present during police questioning or report filings, and any court appearances the victims may face.

Our organization does not limit the definition of “victim”, as we know firsthand, Sexual Violence affects everyone in the community. 2025 was a big year for SART & 2026 is even bigger. We have quarterly meetings and have been able to provide an advocate for multiple SART calls from not just our local hospital, but also hospitals from surrounding communities. If you are interested in becoming a member of our SART team or have any questions about SART, please feel free to call 660-827-5559. We would love to speak with you.

CASA uses new tech to screen for brain trauma in abuse victims

In 2025, we were approached by a member of the Missouri Coalition against Domestic and Sexual Violence about a program being launched through UMKC called OBISSS. OBISSS stands for Online Brain Injury Screener and Support Systems. With 93% of domestic violence victims sustaining undiagnosed brain injuries from domestic violence, we couldn't pass up the opportunity to work alongside some of the best to come up with an easy way to screen victims and provide them with the resources needed to help them navigate what used to be normal life while now living life with a possible brain injury. Throughout the year, OBISSS has grown and is now offered in multiple DV/SA shelters across the state as well as the VA. If you think you may have sustained a brain injury and are unsure of where to start, call 660-827-5559 and speak with one of our advocates about a free screening.

Meet all the MR's

Mr. In Her Shoes Contestants throughout the years

For 7 years, these men in our community have been slipping on and marching in high heels to raise awareness and to show support for women experiencing domestic violence and sexual assault. This symbolic gesture helps show solidarity with survivors of rape and abuse and the organizations helping them to heal from the trauma of their abuse situations. This is not an easy task and these men took the challenge and surpassed their goals of raising awareness and raising money for CASA. We are deeply grateful!

King!

Each year CASA helps an average of 1075 families by providing advocacy & healing services for survivors of domestic & sexual violence.

CASA's services were created over the last 40 years because survivors expressed the need & we listened.

All of these services were possible because CASA asked our community for your support, and you listened.

**ON BEHALF OF CASA AND THE SURVIVORS OF DOMESTIC AND SEXUAL VIOLENCE,
WE WOULD LIKE TO EXPRESS OUR SINCEREST GRATITUDE.**

In Her Shoes

2025 IN HER SHOES raised \$132,927. This helps us provide 24/7 hotline services, safe shelter, case management, crisis intervention, & many more services.

Without our staff, board, volunteers, supporters, & community, none of this would have been possible.

YOU!**

How Your Donation Supports Survivors

The mission of Citizens Against Spouse Abuse, Inc. is to empower domestic and sexual violence survivors to regain control of their lives through education, advocacy, and coordination of community resources.

CASA has grown to offer a broad range of comprehensive services designed to help survivors heal from the trauma of abuse, as well as help our community increase awareness of and response to domestic and sexual violence. To learn more about CASA, you can visit us online at www.casa-sedalia.org. Our website is designed to allow a variety of audiences learn more about who we are and what we do. Whether you want to volunteer or donate or if you need our help, our site can provide you with answers.

Though CASA's existence came to be through the efforts of many brave, committed community members, we are truly here because the survivors of rape and abuse had the courage to come forward and trust us in their moments of crisis. It takes a lot of strength to make change in one's life. It takes even more strength to make those changes in the face of dangerous circumstances. Tonight, we ask that everyone continue to support the men, women, and children that are surviving rape and abuse.

Thank You!

FOR BEING A PART OF
THIS SPECIAL EVENING
IN HER SHOES
10TH ANNIVERSARY

✨ A DECADE OF COMPASSION –
A LIFETIME OF IMPACT ✨

Citizens Against Spouse Abuse exists to empower survivors of domestic and sexual violence to regain control of their lives — through safety, advocacy, counseling, and unwavering support.

Every service provided, every call answered, every survivor supported represents a moment where compassion became action — and action became impact.

As we conclude this evening, remember:
The work we celebrate tonight does not end here.

For 43 years, CASA has walked beside survivors — and together, we will continue walking forward.

**Thank you for being part of this journey.
Thank you for believing in compassion. And
thank you for helping create impact that lasts
a lifetime.**
